build lasting change "

".. an exciting, fun
and useful way to
develop your skills

"Explore what's
needed and make
it happen !"

Join the Go Deep
Event at various
location this
October !

Go Deep is an award winning approach that brings together groups of people to make change in their own communities.

With support from the European Union, GENE, the European Commission and a wide community of supporters, the game has been developed and applied in various communities across Europe since 2016, It was developed by organisations including Diversity Matters Edinburgh and Elos Foundation Netherlands
